

Regular meetings of the Board are normally held on the second and fourth Tuesday of each month, at 7:00 p.m. in the Board room of the Senior High School, dates being established annually at the organizational meeting in July. The approved Board meeting schedule for the school year is then sent to the media, and posted on the district website. Unless meetings are changed, no other notification of such meetings shall be necessary.

Board members are permitted to participate in board meetings via videoconferencing, in accordance with state law. Any site where videoconferencing is to take place must be open to the public. The district will comply with applicable notice requirements.

If Superintendent and the President of the Board find it is necessary to change already scheduled meeting dates, starting times, and/or meeting locations, the Board Clerk will notify the media and the Board of the changes at least 72 hours before the meeting; or to the extent practicable if the change had been decided on less than one week prior to the meeting. The change will also be posted on the district website.

District meetings for purposes of public voting or public hearings shall be established by resolution of the Board at a regular or special meeting of the Board.
